

OUTDOOR MEETINGS AT THE SERENITY CENTER DURING COVID-19 CRISIS DURING DAYLIGHT HOURS

Outdoor meetings have been approved by the Howard County Health Department, with the following restrictions:

1. There is no limit on the number of people but proper social distancing of 6 ft separation minimum must be practiced. Use of masks is strongly encouraged by the Health Department.
2. Each meeting attendee must bring their own chairs. Chairs from inside TSC cannot be used.
3. For contact tracing, the Secretary/Leader must make a list of first names and phone numbers of the meeting attendees and the date of the meeting. This is to facilitate any contact tracing that may be needed, in the event that an attendee tests positive for COVID-19. This protects all the attendees. The Secretary/Leader should keep the list for 6 weeks, or so, and then it can be destroyed. The Secretary/Leader must provide their contact information to The Serenity Center, info@theserenitycentercolumbia.org. This practice is from the guidelines set by the Baltimore AA Intergroup for small group meetings during the COVID-19 crisis.
4. The Serenity Center is closed. Bathrooms are available from 9:00-11:15am and 1:15-4:00pm. Only one person at-a-time can enter the building to use the bathrooms.
